Residential and Commercial Lending
11677 San Vicente Blvd., Suite 206
Los Angeles, CA 90049**

Dear Jacob & Charlene,

Once again it is our pleasure to thank you for taking care of securing financing for our home.

This is the third time we have used your firm and each time we are more satisfied. The process couldn't have been easier from the loan application to funding. That's why we keep coming back!

You staff is professional, knowledgeable and amazingly responsive!

I will continue to pass along your names to friends and business associates.

Yours Truly,
